

## **From Nailsworth to Montego Bay**

*Look at [www.sootallures.wixsite.com/topographersarms/post/from-nailsworth-to-montego-bay](http://www.sootallures.wixsite.com/topographersarms/post/from-nailsworth-to-montego-bay) and focus on this question: Should there be a street named after Thomas Burchell in the Stroud District Council area?*

Discuss and if you think there should, compose a letter to send to the leader of the Stroud District Council and our M.P.

Also, try and make a visit to Shortwood. It's atmospheric. Perhaps read this piece whilst you are there.

Finally, what does the writer say about the history teaching he received as a young person?
