

## **Charles Mason and the Mason-Dixon Line**

Who would have thought that a local would have been co-responsible for the Mason-Dixon Line – the line that divided the slavocracy of the Confederacy from the North in the USA.

This activity is purely for recreation. Visit Oakridge and Sapperton for a walk. The church at Sapperton has some information about Charles Mason. And here's a link to track down the backstory: [www.radicalstroud.co.uk/oakridge-and-mason-dixon-line](http://www.radicalstroud.co.uk/oakridge-and-mason-dixon-line).
